

11 Saturday, April 2015

WORKSHOP C
The Prosody of contemporary English: analyses, interfaces and annotation
(Salle de l'Orangerie, rue du Taur, city centre)
Chair: G. Turcsan

- 09:00-09:30 **A. CHLEBOWSKI** (Université Paris 7, France), *The prosody of "nasal grunts" in the NECTE corpus*
09:30-10:00 **S. HERMENT** (Université Aix-Marseille, France), **L. LEONARDUZZI** (Université Aix-Marseille, France), *Exploring Phonosyntax in Newcastle English*
10:00-10:30 **D. CHOW** (University of Ottawa, Canada), *The Prosody of Function Words in Singapore English*
10:30-11:15 **D. HIRST** (Université Aix-Marseille, France), *The automatic analysis of speech prosody: perspectives for computer-assisted learning*
- 11:15-11:30 Coffee
- 11:30-12:00 Chair: D. Hirst
U. PETRUNINA (University of Zurich, Switzerland), *Some prosodic features of checking and yes-no questions in African American English*
12:00-12:30 **A. JESPERSEN** (University of Cambridge, UK), *High Rise Terminals and discourse structure in Sydney Aboriginal English*
12:30-13:00 **S. WILHELM** (Université de Bourgogne, France), *UNBI – Beyond universals?*
- 13:00-13:30 Round Table

13 Monday, April 2015

- 9:00-09:55 **PLENARY SESSION:**
Mariko KONDO (Waseda University, Japan) [Amphi F417], *Phonemic interpretation and phonetic manifestation of English liquid consonants by Japanese speakers*
- 10:00-10:20 Coffee
- WORKSHOP D**
Interphonology in English-learning contexts: new perspectives from EFL and ESL research
(Amphi F417)
Chair: M. Kondo
- 10:20-10:35 **V. LACOSTE** (University of Freiburg, Germany), **N. HERRY-BÉNIT** (Université Paris 8, France), **T. KAMIYAMA** (Université Paris 8, France), *Interphonology in English-learning contexts: the ICE-IPAC Project*
10:35-11:05 **T. KONISHI**, **M. KONDO** (Waseda University, Japan), *Acoustic manifestation of English prosody by Japanese learners*
11:05-11:35 **O. REID-COLLINS** (Université Aix-Marseille, France), *The interphonology of Indian English: towards a rhythmic classification of L2 English in South India*
11:35-12:05 **A. MĚLI** (Université Paris 7, France), *A study of vowel acquisition in French-English interphonology*
- 12:05-12:35 Round table
- 12:35-14:00 Lunch
- GENERAL SESSION C**
(Amphi F417)
Chair: M. Baranowski
- 14:00-14:30 **D. HUBER** (Université Toulouse 2, France), *Phonological variation in 'because' and its discourse functions in Lancashire English*
14:30-15:00 **ANITA SZAKAY** (Queen Mary University of London, England), **EIVIND TORGENSEN** (Sør-Trøndelag University College, Norway), *Voice quality differences in London English: The effect of gender and ethnicity*
- 15:00-15:30 Close

PAC

THE PHONOLOGY
OF CONTEMPORARY
ENGLISH

2015

PLENARY SPEAKERS
Maciej **BARANOWSKI** (University of Manchester, England)
Gerard **DOCHERTY** (Griffith University, Australia)
Mariko **KONDO** (University of Waseda, Japan)
Jane **STUART-SMITH** (University of Glasgow, Scotland)
Eiji **YAMADA** (Fukuoka University, Japan)

SCIENTIFIC COMMITTEE
Martin J. Ball, Linköping University, Sweden
Nicolas Ballier, University of Paris-Diderot Paris 7, France
Maciej Baranowski, University of Manchester, England
Joan C. Beal, University of Sheffield, England
Ricardo Bermúdez-Otero, University of Manchester, England
Caroline Bouzon, University of Lille 3, France
Ines Brulard, University of Toulouse, France
Laurie Buscail, University of Perpignan, France
Basilio Calderone, University of Toulouse, France
Philip Carr, University of Montpellier 3, France
Jack Chambers, University of Toronto, Canada

9 Thursday, April 2015

10:00-12:45 Registration / Lunch 'sur le pouce'

12:45-13:00 Welcome: **Anne PRZEWOZNY, Philip CARR, Jacques DURAND**

13:00-13:55 PLENARY SESSION

Maciej BARANOWSKI (University of Manchester, England) [Amphi F417]: *The Sociolinguistics of the NORTH-FORCE merger in Manchester English*

14:00-14:30 GENERAL SESSION A

Parallel session 1 (Amphi F417)
 Chair: **J. Stuart-Smith**

F. TECHER (Université Paris 7, France), **N. BALLIER** (Université Paris 7, France), *The CV effect: French enchaînement and liaison among French learners of English*

14:30-15:00 **B. HANNISDAL** (University of Bergen, Norway), *A corpus-based study of /t/-flapping in American English broadcast speech*

15:00-15:30 **P. STRYCHARCZUK** (Queen Margaret University, UK), **J. SCOBIE** (Queen Margaret University, UK), *Emerging fuzzy contrasts in Standard Southern British English*

15:30-16:00 Coffee

WORKSHOP A

Focus on current PAC research (Amphi F417)

Chair: **S. Herment**

16:00-16:30 **J. DURAND, S. NAVARRO, C. VIOLLAIN** (Université Toulouse 2, France), *R-sandhi in the PAC corpora: A phonologically motivated phenomenon or a relic of historical changes?*

16:30-17:00 **S. NAVARRO** (Université Toulouse 2, France), *English rhoticity: empirical data and phonological modeling*

17:00-17:30 **C. VIOLLAIN** (Université Toulouse 2, France)
The SFVS in the light of the PAC New Zealand corpus: from empirical data to a Dependency analysis

17:30-18:25 PLENARY SESSION:

Gerard DOCHERTY (Griffith University, Australia) [Amphi F417]: *Mapping vowel realization in a new corpus of unscripted West Australian English*

10 Friday, April 2015

9:00-09:55 **PLENARY SESSION:**

Jane STUART-SMITH (University of Glasgow, Scotland) [Amphi F417]: *'Bring hither the fatted cool!' An acoustic study of real-time change across a century of Glaswegian dialect*

09:55-10:20 Coffee

10:20-10:50 GENERAL SESSION B

Parallel session 1 (Amphi F417)
 Chair: **P. Carr**

R. DOMANGE (Stockholm University, Sweden), *Variation in Indian English and the issue of proficiency*

10:50-11:20 **L. GOUDET** (Université Paris 13, France), *Misheards: the role of audiovisual perception for mondegreens in a sung corpus*

11:20-11:50 **R. CAMPOS-ASTORKIZA** (Ohio State University, US), *Babel, Babel look at me now! Rhotic adaptation in British Americana*

11:50-12:30 POSTER SESSION

Y. GERBOUD (Université Aix-Marseille, France), *Perception of English accents by French learners of English*

H. KOBAYASHI (Osaka Prefecture University, Japan), *Partial Reduplication in English within Optimality Theory*

M. PANEK, E. FERRAGNE, F. ZUMSTEIN (Université Paris 7, France), *TH-Stopping and /t/ lenition in Irish English*

N. A. RIZVI SYED (University of Agriculture, Water and Marine Sciences, Uthal, Pakistan), *Features of Pakistani English*

S. N. SAHA, S. Kr. DAS MANDAL (Indian Institute of Technology, Kharagpur, India), *Phonetic Problem of Native Bengali speakers' English pronunciation - Analyzed by Automatic Phoneme Alignment Using HTK*

H. STEIGERTAHL (University of Bayreuth, Germany), *English in Namibia – A New Variety? – Language Use and Variety Status in Five Namibian Communities*

12:30-13:30 Lunch

13:30-14:25 PLENARY SESSION:

Eiji YAMADA (Fukuoka University, Japan) [Amphi F417]: *An Overview of the approach to word stress in English in the generative tradition: from SPE to current Optimality treatments*

Parallel session 2

[r. F412]
 Chair: **G. Docherty**

M. AMAND (Université Paris 7, France), *Did you say Face or Fierce? Variation in Four Geordie vowels in the TLS Corpus*

C. BOUZON (Université Lille 3, France), **K. O'CONNOR** (Université Lille 3, France), *The interaction of aspiration and syllabification in the English of French learners*

O. GLAIN (Université de Saint-Étienne, France), *The phonological fuzziness of palatalisation in contemporary English: a case of near-phonemes?*

WORKSHOP B

Word stress in English: empirical and theoretical issues (Amphi F417)

Chair: **N. Ballier**

14:30-15:00 **J-M. FOURNIER, Q. DABOUIS** (Université de Tours, France)
Syllable weight and stress in English: the case of disyllables

15:00-15:30 **J. CASTANIER** (Université de Poitiers, France), *Stress-placement in etymologically prefixed disyllabic noun/verb pairs revisited: a semantic and diachronic approach*

15:30-16:00 **G. TURCSAN** (Université Aix-Marseille, France), *Making sense of nonce word stress in English*

16:00-16:30 Coffee

Chair: **J. Durand**

16:30-17:00 **Q. DABOUIS** (Université de Tours, France), *English Phonology and the Literate Speaker*

17:00-17:30 **E. YAMADA** (Fukuoka University, Japan), *Optimality Theory and beyond: an analysis of English word stress using a new concept of "positional function"*

17:30-18:00 **P. CARR** (Université Montpellier 3, France), *Word stress, mental storage and extraction of generalisations: neural mechanisms and the dual mechanism hypothesis*

18:00-18:30 Round Table
